

Dynatec Scientific Laboratories, Inc. **Essential to Operations**
COVID-19 Pandemic

Dynatec has taken every step necessary to meet the needs of the medical device industry in our effort to combat COVID-19. Dynatec scientists and support staff are working around the clock to receive, test, and release each and every manufactured load to the market in the most efficacious manner.

In addition Dynatec is directly assisting the medical community in our region with donations that are in short supply, such as medical face masks, and biocidal agents, to help the healthcare personnel with the massive job they have to protect and care for all of us during this pandemic.

The Lab is maintaining its normal operations which includes: Sterility Assurance, Clean Room Engineering, Chemistry/Sterilization, and Consumables Services, with minimal interruptions.

The efforts of every team member at Dynatec Labs is focused to provide continuous services, expertise and safety to all of our clients.

Thank you for your business and continued support.

Sincerely the Staff at Dynatec Scientific Laboratories, Inc.
